Ogee w/ Radius

Single Ogee

1-1/2" Slight Eased Edge

Ogee w/ Single Bullnose

COUNTER EDGE DETAIL

I, the home Owner have visited the fabricator for my, (Granite, Marble, or Stone) material fabrication and have verified and approved all seam locations, noting that seams may be visible after installation. I have selected, seen, verified and approved the edge detail. The edge detail number is provided on this page and is circled.
